

Public Sale OF VALUABLE PROPERTY In Scotland Neck, HALIFAX COUNTY, N. C.

BY virtue of the last Will and Testament of Col. Whitel H. Anthony, dec'd., I shall sell, at Public Auction, on Monday, the 29th of December next, on the premises, that beautiful and highly improved property, the late residence of the dec'd., known as

"GREENWOOD,"

containing 750 Acres of Land, more or less. Persons desirous of purchasing a healthy and well improved residence in one of the best neighborhoods in the State, have seldom such an opportunity as is now presented to them.

Also, at the same time and place, will be sold a valuable lot of Household and Kitchen Furniture, two Carriages, two Buggies, some fine Saddle and Harness Horses, and a number of desirable articles not mentioned.

On TUESDAY, the 6th of January next, I shall sell on the premises,

The Plantation of the dec'd.,

containing about 3000 acres of land—1485 acres of it being River Uplands, lying within one mile of the Roanoke River, and well adapted to the growth of Cotton, Corn and Outs—50 acres known as Buzzard Point, lying immediately on the River, but not adjoining the above tract, and believed to be as productive as any land upon the River. The balance of the land, about 1500 acres, adjoins the 1485 acre tract, is well timbered and a part of it good farming land. The above lands lie in Scotland Neck, 7 miles from Greenwood, 3 from Kingle's Ferry, and adjoins the lands of David Clark, Dr. Baker and others. The several tracts will be sold separately or together, as shall be deemed most advisable for the interest of the estate on the day of sale. Immediately after the sale of the land, will be sold the Mill, with two acres of land attached thereto. This Mill is upon a never-failing stream of water, and with slight repairs may be made very valuable.

At the same time and place, I shall sell from 1000 to 2000 barrels of Corn, 80 or 90 bales of Cotton, 200 fat Hogs, 30 head of Horses and Mules, a number of cattle, sheep, out-hogs, and a large lot of Farming utensils, such as wagons, carts, ploughs, &c. The sale will continue from day to day until all is disposed of.

At the close of the sale about 100 Negroes belonging to the estate will be hired out for one year.

CONDITIONS OF SALE.

For the real estate a credit of one and two years, with interest from the day of sale; bond and security required and the title withheld until the purchase money is paid. For the personal estate a credit of six months; bond and approved security required before the property is removed.

Richard H. Smith, Executor.
Scotland Neck, N. C., Nov. 28, 1851.

Valuable Property FOR SALE.

THE Subscriber offers for sale the plantation with the improvements, where he now lives, containing about 200 acres, about half of which is cleared. The improvements consist of a good two story building containing 6 large rooms with fire places in every room, and all necessary out buildings; this tract lies on the East side of Goldsboro', adjoining the town.

ALSO,

One other tract known as the Borden & Hooks land, situated on the South side of Goldsboro', adjoining the said town, containing about 400 acres, a good portion of which is equal in point of productiveness to any land in Wayne county, or I might almost say, in the State, and would, if rented and well managed, always pay more than the interest on the purchase money. I have also several town lots in Goldsboro', which I would sell. I would sell any, or all of said property, and take in payment likely Young Negroes, Bonds, Notes, or would sell on a credit, for any reasonable time.

The flourishing state of Goldsboro' is well known. Among other advantages, it affords rare facilities to parents to educate their children. There is at present, in the vicinity, as good a school—Mr. Robinson's—as the State affords, and a building for a collegiate school will be commenced in a few weeks. These considerations, and the intrinsic value of the property offered for sale, ought to make a residence and farm near Goldsboro' a desirable object, especially to parents.

For other particulars, apply to
Wm. B. Edmundson.

Land for Sale.

HAVING joined a club whose object is to buy land and settle a whole neighborhood in Texas; I have determined on selling the land on which I now live, if I can get any thing like a reasonable offer, and will furnish the purchaser with one hundred barrels of corn at three dollars and fifty cents per barrel, and fodder at 75 cents per hundred. I conscientiously believe that to any man willing to buy land in North Carolina, I can sell as cheap a bargain as can be bought within fifty miles of my premises, and were it not for my children alone, I would not exchange my residence for any other whatever.

This tract I offer contains

About 700 Acres.

more than half cleared; and now in a good condition for cultivation—there is on it a meadow worth at least fifty dollars a year for grazing or cutting hay. It lies immediately on

Fishing Creek, in Nash County,

thirteen miles from the Wilmington railroad and five from Hilliardston, where there is an excellent female school, and within a mile and a half from my residence is a male school inferior to few, if any in the State that prepares young men for College. By clearing and manuring, I have so improved my farm, that any good farmer with five ploughs and eight or nine hands can make two hundred and fifty barrels of corn and forty thousand pounds of seed cotton. A good deal of the fresh land is said to be first rate for tobacco and of course good for small grain. There is a small swamp running through my plantation on which is a great abundance of mud—a good deal of which is thrown out for composting. There is a comfortable two story dwelling house, and a tolerable sufficiency of necessary out houses; and within forty steps of the door is a never failing spring of most excellent water.

I have frequently known land to sell in Edgecombe where I was raised for eight or ten dollars per acre, far inferior to this I offer, and the land generally in this vicinity, for it is here as elsewhere the land is good on the water courses—but come and see, as I am anxious to get off to take a view of Texas. Robert D. Hart.

Spring Hill, August 4th.

The undersigned being acquainted with the above premises, and having recently rode over the same have no hesitancy in certifying that there is not a more valuable tract of land in Nash, and have no doubt that the farm will yield this year eighteen or twenty bales of cotton, besides a plentiful support. B. A. T. Ricks, Wm. H. Hilliard.

August 2nd, 1851.

Land for sale.

THE Subscriber wishes to sell, on accommodating terms, his Farm, lying in Nash County, on the north side of Swift Creek, above and below Hilliard's mills.

Containing 611 Acres.

The creek lands are good for corn and cotton—the flat or piney wood land have round pines enough to cut from 15,000 to 20,000 boxes. The above will be shown by the Overseer on the premises, or by the subscriber living at Hilliardston.
